

**Ms Linda Adams**

*Founding President, R20-Regions of Climate Action; Chairman, Climate Action Reserve & Former Secretary, California Environmental Protection Agency*

Ms Linda Adams, former Secretary of the California Environmental Protection Agency, retired from the state after 38 years of distinguished service. Appointed to CalEPA by Governor Arnold Schwarzenegger, Ms Adams was designated as the lead negotiator for the enactment of AB 32, California's landmark climate change and clean energy law. She continues her international work in two capacities: Chairman of the Climate Action Reserve, North America's premier carbon registry; and Founding President of R20- Regions of Climate Action, Chaired by Governor Schwarzenegger.
