

Mr W Scott Tew

Executive Director, Center for Energy Efficiency, and Sustainability (CEES), Ingersoll Rand

As executive director of the CEES, Mr Scott Tew leads a global group of experts dedicated to integrating best practices for the long-term use of energy and other resources. His team will shape the future of energy efficiency and sustainability for Ingersoll Rand and the industry, and will help Ingersoll Rand become the world leader in creating and sustaining safe, comfortable, and efficient environments. The CEES supports all Ingersoll Rand businesses and brands and is responsible for forward-looking green initiatives, including product and service innovation, operational excellence, education and engagement, and product standards and advocacy.
